FLIGHT SCHEDULE AND SLOTS

RIX is not SLOT coordinated airport (Level 1 – Schedule facilitated) In order to begin the process of starting a new route to RIX we kindly ask you to announce the plans of the new flights by submitting a flight schedule by sending it in SMA format (IATA SSIM Chapter 6 format) to slots@acl-international.com and schedule@riga-airport.com (general enquires in free format shall be sent to HDQ@acl-uk.org).

A-CDM

RIX operates according to A-CDM procedures. AIP OF LATVIA,
EVRA AD 2.20 LOCAL AERODROME REGULATIONS,
14. AIRPORT COLLABORATIVE DECISION MAKING (A-CDM)

VAT DECLARATION

Before starting your flights, please submit attached **Self Declaration Form** so we can determine your value added tax ('VAT') status pursuant to Directive 2006/112/EC and Value Added Tax Law of Republic of Latvia. Please complete both sections of the form and have a scanned copy returned to infrastructure@riga-airport.com

POWER OF ATTORNEY FOR MEMBERSHIP IN AIRPORT USERS COMMITTEE

In order to vote for Committees' related issues and decisions, you are required to submit a power of attorney issued by your Company. Please submit power of attorney by sending it to committee@riga-airport.com. You will need to present the original of the document when attending the meeting.

Attachment - Power of attorney.

AIRPORT CHARGES

Airport charges are regulated by several Cabinet of Ministers of the Republic of Latvia regulations issued pursuant to Section 28, Paragraphs three and six of the Law on Aviation.

FLIGHT INFORMATION FOR PASSENGERS (Passenger flights only)

At RIX we have established a common procedure on how FIDS information is provided to our customers. Attached FIDS standard will guide you through steps and requirements. **Attachment - FIDS Specifications.**

RIX REQUIREMENTS FOR PASSENGER DATA TRANSMISSION (passenger flight only)

There are currently two institutions collecting passenger API data in Latvia:

- State Border Guard
- Latvian Passenger Information Unit (LV PIU)

By the end of 2021, LV PIU will become a Single Window for API data collection in Latvia. However, until then API data should be sent to both institutions separately according to specific requirements and instructions of each agency.

1. PNR data for all flights should be provided to the **Latvian Passenger Information Unit (LV PIU)**.
2. Penalties for not providing data up to 5100 EUR per each flight

For detailed information on providing API and PNR data correctly, please refer to instructions in **attachment - RIX requirements for passenger data transmission.**

ACCESS TO AIRPORT PROCEDURES

After signing any agreement with Riga Airport, partners are granted access to Airport procedures.

MANDATORY AGREEMENTS

Although there is no request for concluding any mandatory agreements by Riga airport authority, it is requested to agree on Ground Handling with any of 2 ground handlers at Riga airport:

MARKETING / BRANDING

In order for the Airport to communicate information about your flights, be it our website, presentation or any other channel, we kindly ask you to provide us with a logo of your airline in vector format as well as publicity photos to be used in the official communication.

Please send the logo and photos to marketing@riga-airport.com

SELF-SERVICE FACILITIES

Self-service kiosks.

At RIX we use web-based self-service kiosks for check-in at no additional cost to airlines. To have airline implemented on the kiosks a valid URL to airline's online check-in website and logo compliant with FIDS standard will need to be provided. Please contact infrastructure@riga-airport.com for more information.

Self service bag drop.

To further improve passenger processing at RIX we have implemented four units of CUSS compliant self-service bag drops provided by SITA. As with self-service kiosks, there are no costs for use of the system, however, airline is to cover any costs related to system integration (connectivity with DCS, setting up business rules, etc.) Please contact infrastructure@riga-airport.com for more information.
