### General Procurement Notice

#### 1. Funding Details

The above named client intends to use part of the proceeds of a loan from/grant administered by the European Bank for Reconstruction and Development (the Bank) towards the cost of the above named project.

Additional financing information: Bank Loan EUR 60,000,000.00

#### 2. Information on the Project

Project Description:	Construction Works for Stage 6 of Riga Airport Terminal Expansion
Estimated Total Project Value	167,000,000.00
Currency	EUR
Procurement Type	Works
Estimated Start Date of Procurement	01/11/2023.

#### 3. Other Information

Contract will be subject to the Bank's Procurement Policies and Rules and are open for participation for firms from any country, unless otherwise specified in the procurement documents.

Procurement under this project will be conducted using the EBRD Client E-Procurement Portal (ECEPP). If you intend to participate in any procurement under this project, please ensure that you have registered in ECEPP (<https://ecepp.ebrd.com>). Registered entities will be notified directly when any procurement opportunities are published.

As part of the construction works, it is planned to significantly expand the existing public part of the Riga Airport passenger terminal (including check-in hall, security control, baggage claim and arrivals hall) to the east of the existing terminal complex, as well as expand the terminal for Baggage handling System, reconstruct of the premises of the existing terminal building in sectors E, F and D, build road and parking solutions, including a new flyover at the departure level and a multi-storey car park, construct underground tunnel for baggage delivery for connection with RailBaltica station building. During the construction works, the terminal of Riga Airport shall continue to function and serve passengers, ensuring the continuity of aviation processes and not lowering the level of safety and security at the Airport, as well as organizing appropriate public access to the terminal.
